

Ultima Longspan

Modular Shelving for
Offices & Warehousing

Ultima Longspan 2.

Your need:
A flexible shelving solution that can handle larger, heavier or awkwardly shaped items.

Our solution:
The Dexion Ultima Longspan 2 is Dexion's most popular hand-loaded shelving solution, it is engineered to be strong, durable and safe. The innovative new design leverages Dexion's smart beam connection to increase the performance and flexibility of the shelving system. Complete with an extensive range of accessories the Dexion Ultima Longspan 2 can be customised to suit your specific needs.

STORAGE Tip
Fastest moving products should be spread across different zones within a particular storage medium. This will help balance the workload and minimise congestion within a particular area.

Ultima Longspan 2 starter and extension bay with particle board shelves.

Ultima Longspan 2 with mesh shelves provides improved fire safety performance.

The innovative new design leverages Dexion's smart beam connection.
