Binning Systems

Introduction

Dexion's range of shelf, hanging and stackable bins allow you to sort small parts any way you like. Our Maxi bins come in seven sizes and five different colours. They can be stacked, hung off louvred panels or incorporated into other Dexion storage systems. There are literally countless combinations.

Features

- Bins can be stacked or hung on louvred panels
- Smooth internal features with curved edges makes bins easy to clean
- Divider available for P30, P40, P45 and P60
- Unique rear recessed holding grip
- Deep rear lip to facilitate bin hanging on louvred panel
- Uniquely moulded top rim and wide base to ensure secure stacking
- Reinforced moulding provides stacking strength
- Wide identification label
- Made from high strength polypropylene that resists discolouration from oil and grease
- Available in a range of colours to assist in more efficient picking
